Rebirth . . . is the theme of the '75 annual. THUNDERBOLT is then layed aside. Rebirth is change and revival. That is what the '75 annual staff strived to do . . . symbolize Rebirth . . . a new beginning. This was their "CREATION."

We the annual staff of the 1988-89 yearbook have set out to once again make a change. This is a change for "tradition".

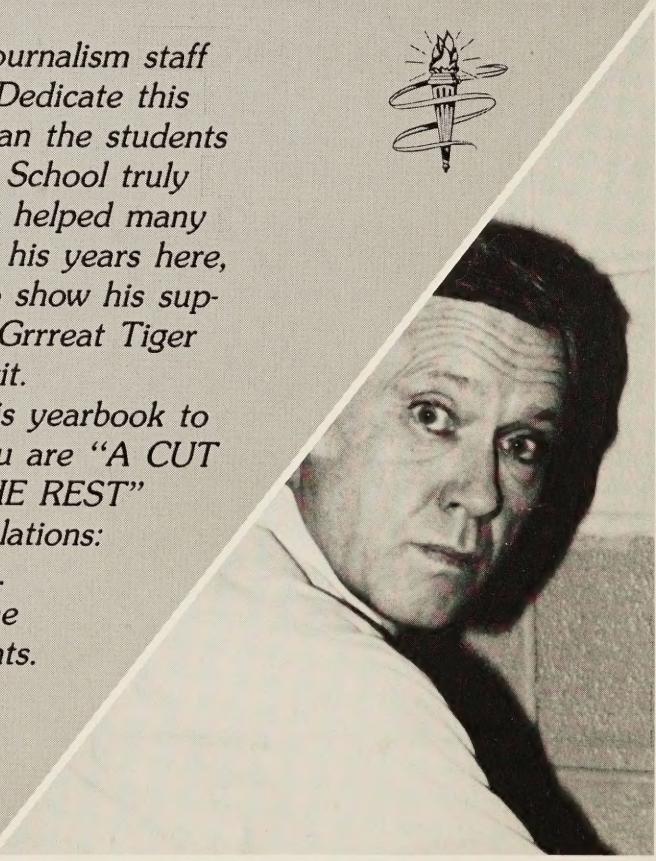

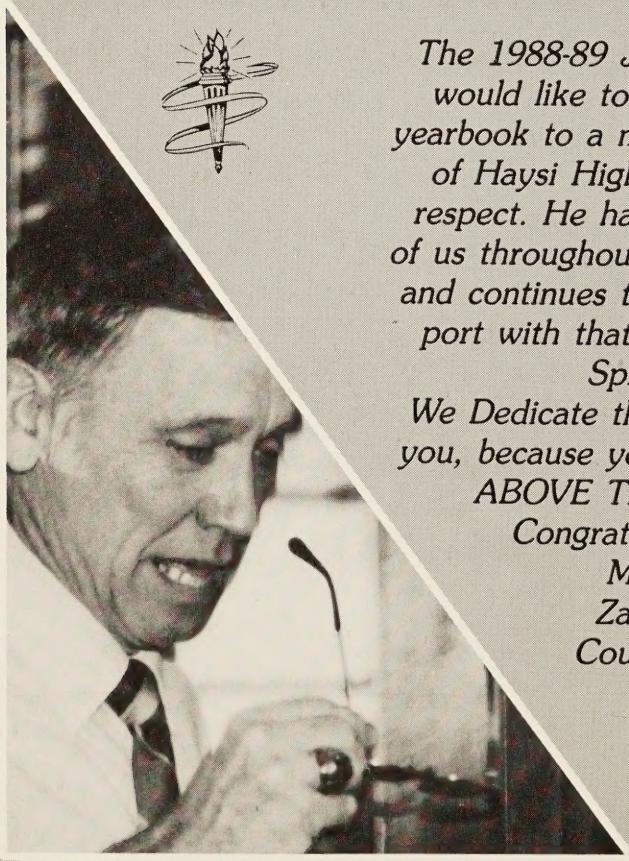

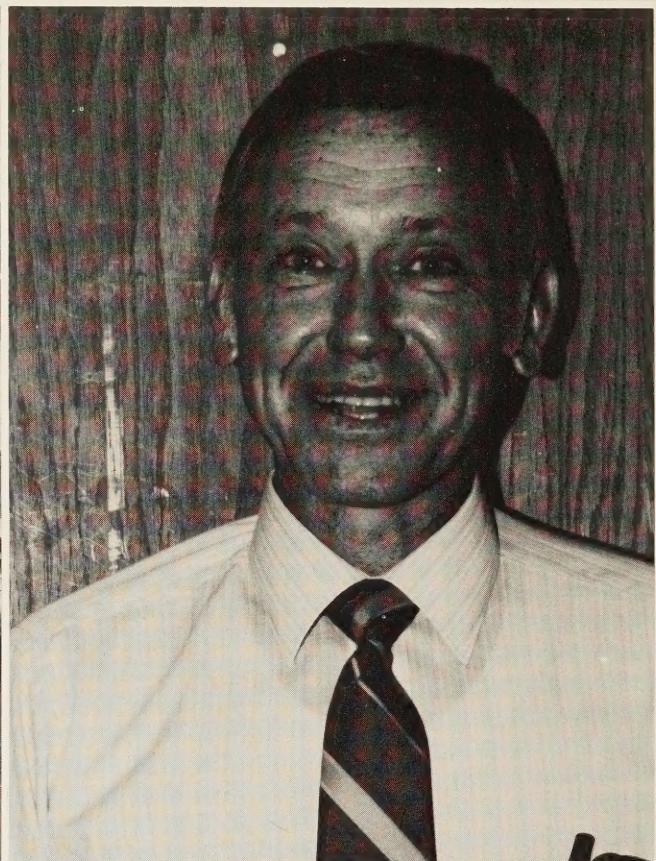

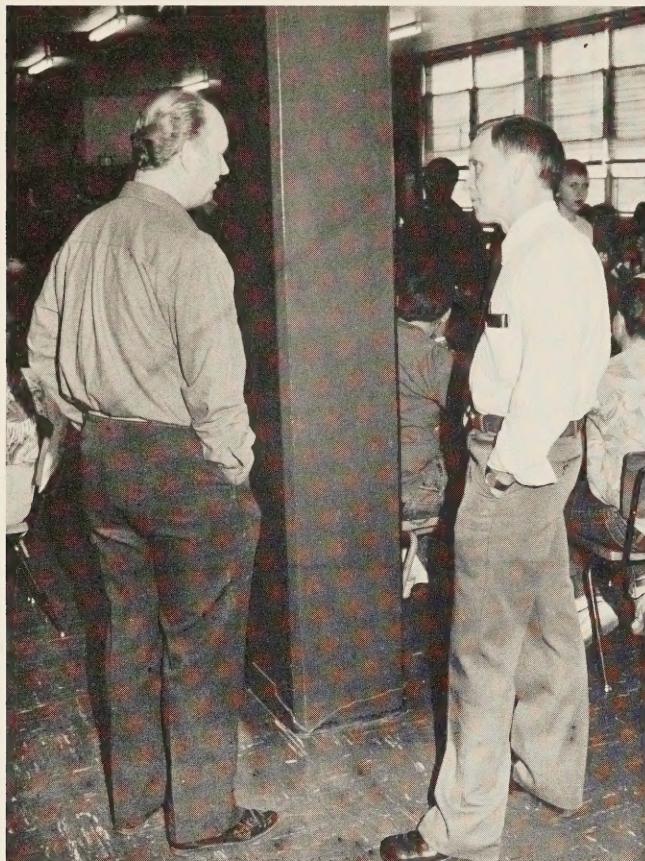

Traditions are customs passed on from one generation to another. The THUNDERBOLT tradition lived for 27 years. The '75 yearbook staff saw fit that their generation should make a change, to show the impact of the changing times. By bringing back the THUNDERBOLT we too are facing another change . . . a change of greater strength in the past to create a brighter future.

Our goal is to achieve a "new" THUNDERBOLT by combining all the memories of yesterday and intertwining them with the dreams of tomorrow in order to create a yearbook that will truly become "A Cut Above the Rest".

IN MEMORY OF . . .

The Class of 1989 entered the eighth grade at Haysi High School with individual hopes, dreams, and ambitions. Now the time of our graduation has arrived, and as we reflect back on the five years of our long journey to the present, we recall many memories, both happy and sad.

We would like to take this time and space to remember three beloved classmates who began this journey with us:

On March 9, 1985, Pheng Powers lost her life in a tragic accident. We remember her as an athlete, student, and friend.

On November 22, 1986 another tragic accident claimed the life of Craig Edwards. We remember Craig's artwork, his personality, and his bright smile.

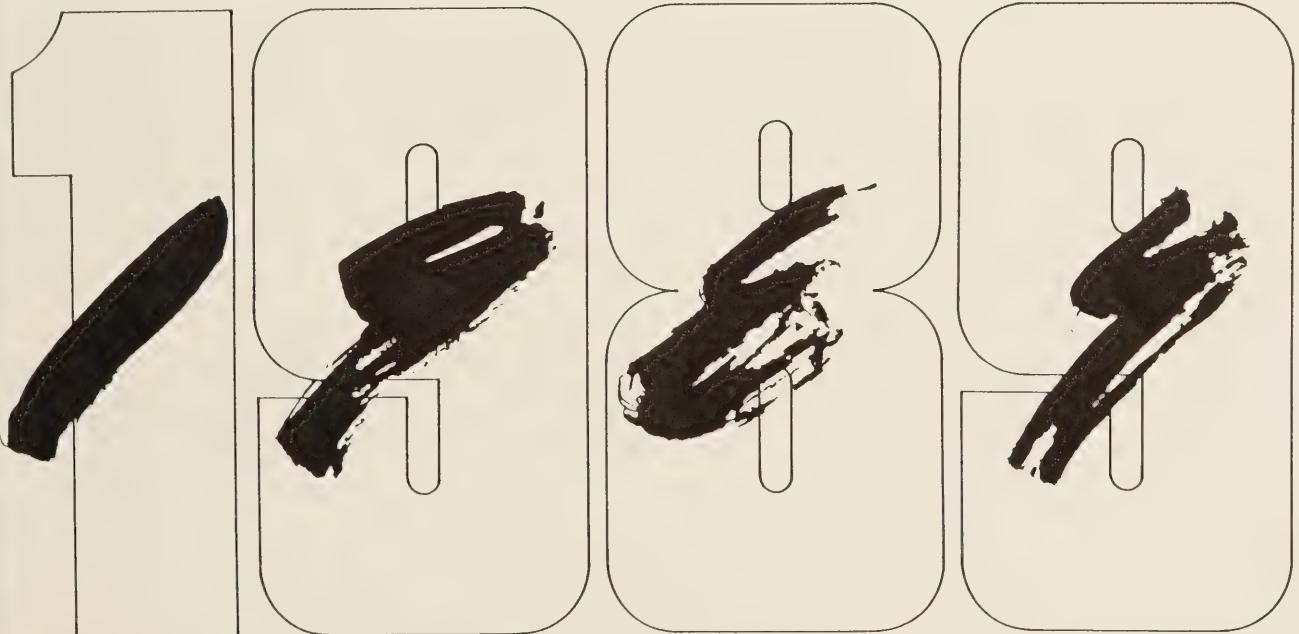

On May 8, 1988, a third tragic accident claimed the life of Carter Boyd. We remember Carter as a high spirited, and unique individual.

We will always remember these three special people in our own special ways.

DIAMOND DISTRICT CHAMPS

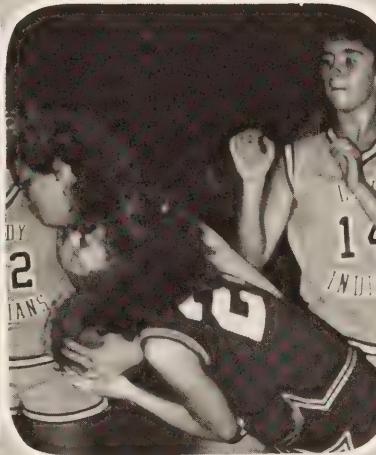

This season was a very unusual one for the Lady Tigers. After finishing the regular season 7-14, they entered the BDD Tournament as the underdogs and proved "You're only as good as you think you are," just as Coach Ron had told them. Entering the tournament the girl's record was 0-0. The girls went out the first night and beat the Council Cobras. The next night they defeated the Pocahontas Indians in the semi-finals. In the finals, they defeated the Hurley Rebels to become the 1988 Black Diamond District Champions.

A CUT ABOVE THE REST

THE 1988 SEASON WAS A VERY EXCITING ONE WITH THE LADY TIGERS WINNING THE BLACK DIAMOND DISTRICT TOURNAMENT TITLE. IT ALSO WAS EXCITING BECAUSE SENIOR CINDY O'QUINN REACHED A GOAL THAT IS STRIVED FOR BY EVERYONE WHO PLAYS BASKETBALL. SHE JOINED THE ELITE "1000 POINTS CLUB." ON OCTOBER 4TH WITH A TWISTING LAYUP AT THE 5:27 MARK OF THE 2ND QUARTER AGAINST COUNCIL. CINDY'S HARD WORK RESULTED IN A CAREER FINISH OF 1322 POINTS PLACING HER AMONG THE TOP 50 SCORERS IN THE HISTORY OF GIRL'S BASKETBALL IN VIRGINIA. CINDY ALSO BECAME THE LEADING SCORER IN THE SCHOOL'S HISTORY, AND ACCORDING TO RECORDS, IS THE THIRD GIRL AT HAYSI EVER TO SCORE OVER 1000 POINTS. SHE JOINS SUE SUTHERLAND WOODS AND RAYENA PHIPPS IN THE 1000 POINTS CLUB. CINDY WAS NAMED THE BLACK DIAMOND DISTRICT CO-PLAYER OF THE YEAR AND ALSO THE WDIC-CUMBERLAND TIMES PLAYER OF THE YEAR.

ACTIVITIES

1988 JUNIOR-SENIOR PROM

Preparation began in October as the prom committee began to create ideas for an unforgettable night. The colors, centerpiece, and theme were chosen after a series of heated discussions. After the final decision, the beginning of that enchanted evening got underway.

With only three days, the Junior Class along with the prom ushers turned the dream into a reality. Entered in pink, silver, and white balloons our gym became a fantasy.

On April 15, 1988, "The Time of My Life" finally arrived. All the work was over and only a short time was left to enjoy that special night. Through all our labor and sweat, the final result truly became "The Time of OUR LIVES".

1988-89 HAYSI HIGH SCHOOL

1988-89 TIGER MARCHING BAND

The Marching Tiger Band started their 1988 marching season with a roar, entertaining audiences and building their reputation with every performance. Although this band has quickly became a favorite at football games and competitions, quality playing and marching combined with lively entertainment and showmanship impressed judges and audiences alike. The Band students showed pride and enthusiasm in everything they did, giving top performances at every competition and showing themselves to be one of Haysi's finest Marching Bands.

One of the highlights of the year was getting to perform for Governor Baliles during his visit to Haysi High School. Other memorable moments include band camp with Tom and Mark, the applause and recognition at the band competitions, the great response our own high school gave us when we marched for them (Thank you, H.H.S.!), and all of those trips we took together. Several students are expected to make all regional and honors bands again this year, and many students should place high in the all-county band.

CHOIR

Under the direction of John R. Whitner, the Haysi High School Choir is a very active group. They perform in concert not only for Haysi High School assembly programs, but for other area schools, the town Christmas celebration, and Heritage Hall residents.

This year the Choir performed in concert with the newly created Alumni Choir. They are also planning to perform in Canada. Three students tried out for all regional choir. David Edwards, Joy Barton, and Deana Gotte. Joy and Deana placed in the All Regional Choir.

FORENSICS

Forensics is a program in public speaking in which the students compete in the school, district, regional, and state levels. The H.H.S. Forensics program is governed by the Virginia High School League. Members of the English Department act as coaches to the students.

SPEECH AND DRAMA

The Speech and Drama Class is open to those Juniors and Seniors who desire to improve their public speaking skills and participate in dramatic productions. Nineteen Seniors and 2 Juniors make up this years class. These students not only put on plays for the enjoyment of the student body, but also actively participate in the Forensics program and strive to perfect their public speaking.

BETA CLUB

The Beta Club is an honor club, in which all members must maintain a B average or higher. We have a total of 46 members this year. The club officers are James Counts President, Monica McClelland — Vice-President, Rebecca Bailey — Secretary, and Jerry Edwards — Treasurer.

We are very proud of our successful Beta Club. Suzanne Robinette was elected State Beta Secretary for 1988-89. The entire club campaigned relentlessly for Suzanne. Club members participated in several academic competitions. Sabrina Mullins competed in English, Joy Barton entered the Math Competition, and Rebecca Bailey placed 3rd in Creative Writing.

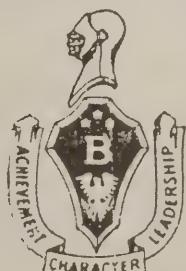

We would like to express our appreciation to our sponsors Debra Colley and Robin Charles. Thank you for your time and effort. Also a special thank to Larry, Darrel, and Darrel.

SCIENCE CLUB

THE SCIENCE CLUB stimulates interest in the sciences by providing its members guidance in their scientific investigations.

Members of the Science Club participate in a regional math/science competition held at Clinch Valley College. In 1986 our team placed second in the large school division of the science competition and in 1987 we placed first in the small school division of both the math and science competitions.

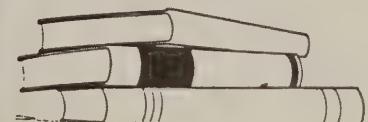

Members may participate in club sponsored field trips which provide science-oriented educational experiences. Some past field trip destinations have been: The Smithsonian Institution and National Zoological Park, Bays Mountain Park, regional science fairs, Mount Rogers, and Whitetop Mountain.

All Science Club members are required to enter a science project in the annual Haysi High School Science Fair and will be able to enter their projects in the Dickenson County Science Fair.

1988-89 Key Club Sweetheart
Rebecca Ann Mondrage

The 1988-89 Key Club Sweetheart is Miss Rebecca Ann Mondrage. She was selected by the Key Club members from a group of nine Senior Sweethearts. When asked why they selected Becky Ann as the Key Club Sweetheart of the Year, Key Club members said:

Paul Viers: "Ms. Rebecca Ann Mondrage is the kind of young lady who can justly represent my Key Club, and I wanted to kiss her when I present the roses."

Jamie Counts: "Cause Paul paid me off, so he could kiss her."

Brett Sykes: "Well, I grew up with Ms. Rebecca Ann Mondrage back when I lived back at the trailer near Clinchco. And she's a real purty girl, and I just really and truely from the bottom of my heart thought she deserved to represent the Key Club. Besides, Paul always has wanted to kiss her anyhow."

Below: S.A.D.D.'s Homecoming Float really hits home.

S.A.D.D. is an organization devoted to ridding our city, state, and nation of Drunk Drivers. It is estimated that 16 to 20 people are killed every hour on our highways, mostly because they or the other driver was driving under the influence of alcohol. Students against Drunk Driving is made up of a large group of students they meet club A, in room 401, during our monthly club meetings.

When asked: "In your opinion how should drunk drivers be punished?" The sponsor of S.A.D.D. — Mrs. Donna Owens responded: "The act of drinking and driving has to cease. Severity in the law may slow it down — but our conscience is the only thing to stop it."

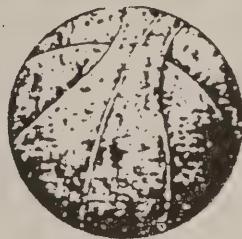

S.A.D.D.'s President Scott Stanley answered: "First offenders should have their license temporarily evoked until they enter a substance abuse program. Habitual offenders should have a jail sentence, license evoked, and enter a long term substance abuse program."

S.A.D.D.'s Vice-President Debbie Deel said: "It is not the right of one person to pass judgement on other, but everyone knows the consequences of drinking and driving. Let them be their own judge."

F.C.A.

The FCA (Fellowship of Christian Athletes) is sponsored by Coach James Colley, and they meet once a week in the gymnasium.

Their main project is "Toy for Tots," every Christmas the members of FCA collect and buy toys. These toys are then distributed to the underprivileged children of our community.

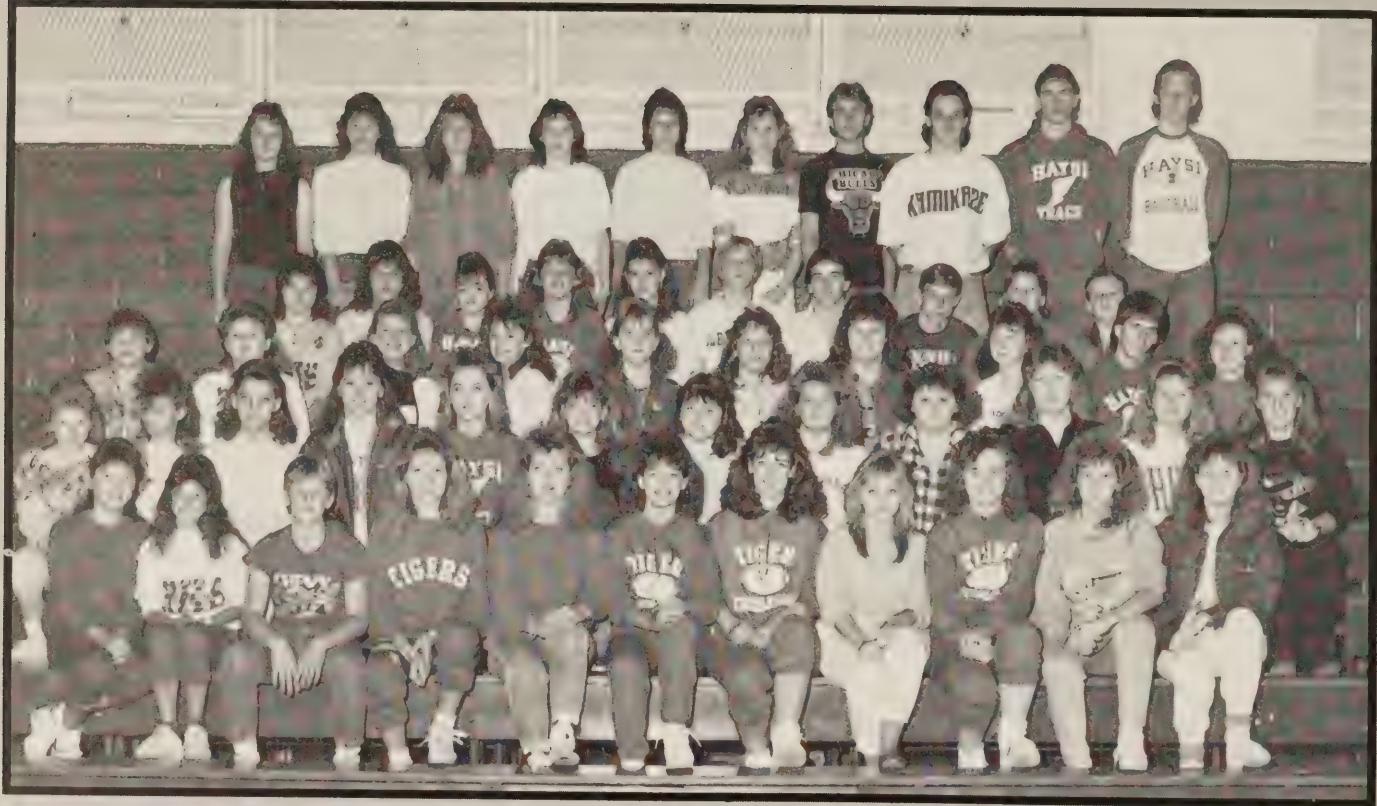

BIBLE

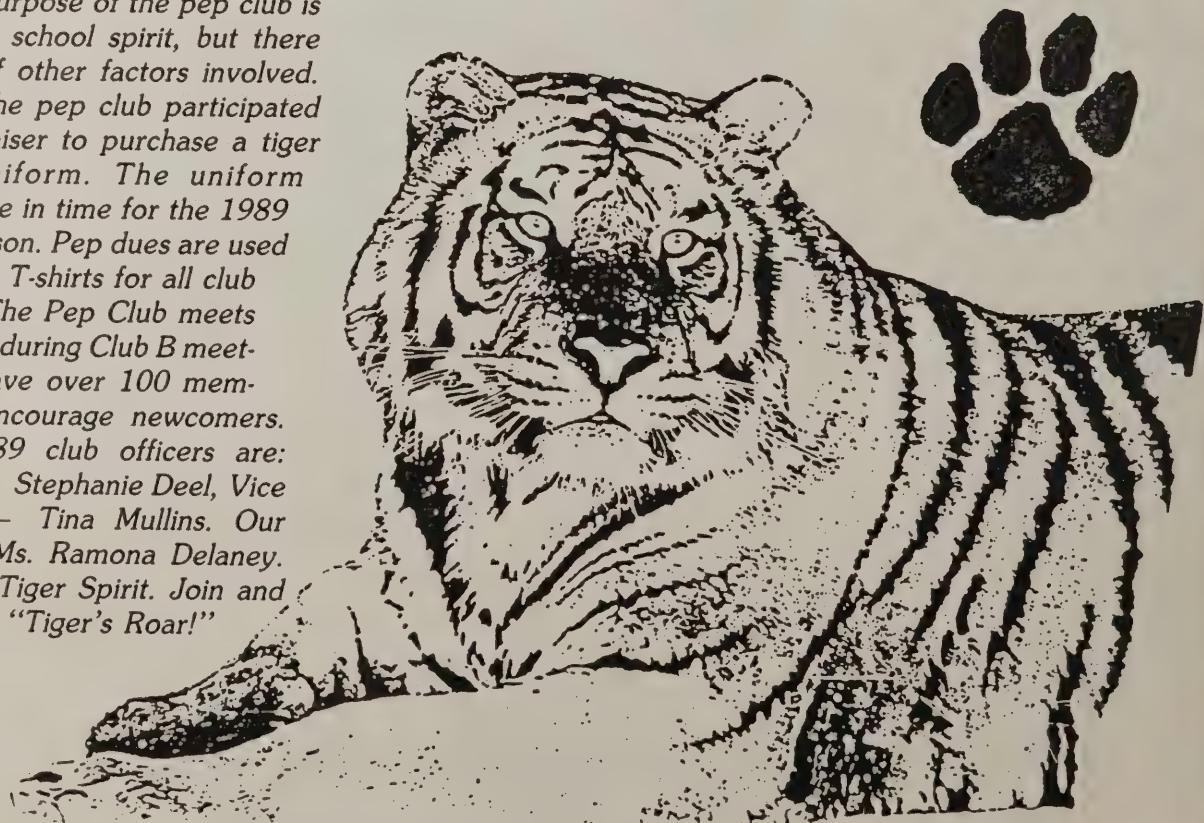

The Bible Club is an organization of young adults interested in bettering the world through religion. They usually send members of the club to the elementary school to read The Story of Christmas to all the children. They also enter a float in the Homecoming Parade. The Bible Club is sponsored by Mr. John A. Whitner.

TIGER'S ROAR — 1988 PEP CLUB

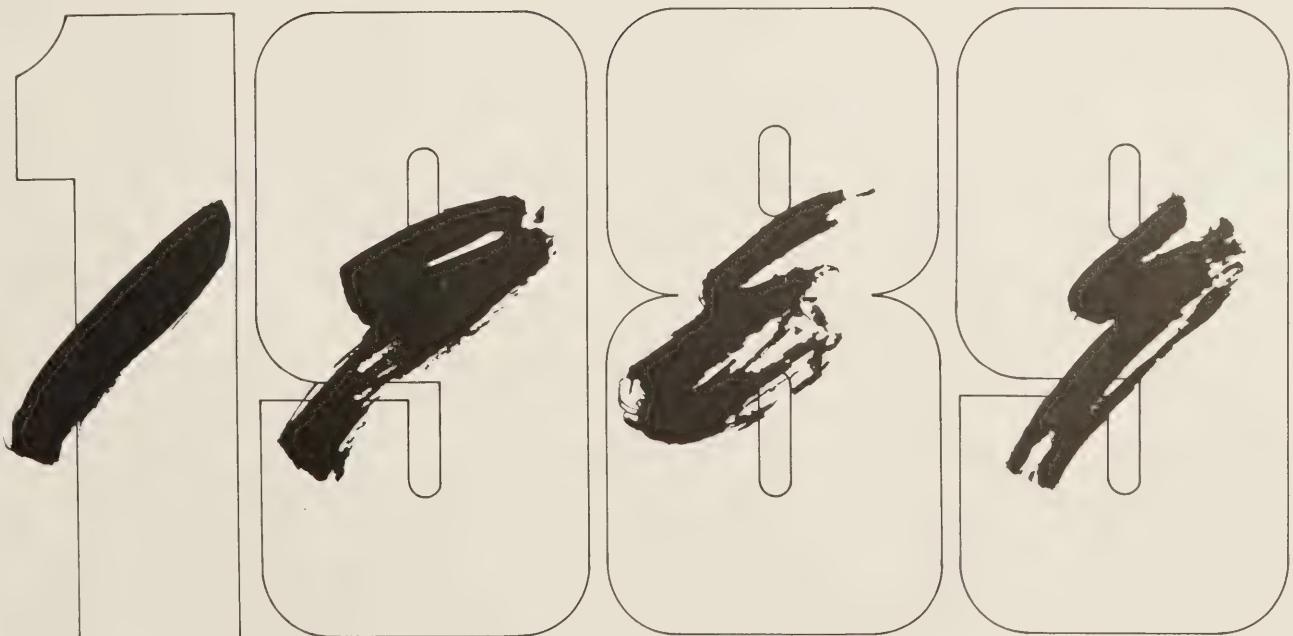

TIGER PEP CLUB

The main purpose of the pep club is to promote school spirit, but there are a lot of other factors involved. This year the pep club participated in a fund-raiser to purchase a tiger mascot uniform. The uniform should arrive in time for the 1989 football season. Pep dues are used to purchase T-shirts for all club members. The Pep Club meets each month during Club B meetings. We have over 100 members and encourage newcomers. The 1988-89 club officers are: President — Stephanie Deel, Vice President — Tina Mullins. Our sponsor is Ms. Ramona Delaney. Show your Tiger Spirit. Join and support the "Tiger's Roar!"
